572 BBC All Aluminum Chrysler Hemi - Naturally Aspirated
800 HP with 700 TQ with pump gas. These combinations have been proven and developed at NRE over the years providing amazing horsepower per cubic inch, while still being reliable power plants. THESE ENGINES ARE DESIGNED TO BE DRIVEN HARD. Many hours on the DYNO were spent developing this combo. This is a perfect blend of power, reliability and sound. 9 second power in the quarter mile and still drive anywhere.

Complete assembly is fully balanced and blueprinted to our specifications. The motor is then broken in on the engine dyno and tuned for maximum power.

HOT ROD SERIES

-----\$28,000
